

REGULATIONS OF VISITING THE EVENTS HELD IN THE TERRITORY OF VTB ICE PALACE BY PERSONS WITH LIMITED MOBILITY

1. ARRIVAL

Arrival of PLM is carried out:

- by public transport – from the TTC and Avtozavodskaya metro station: arrives at the square in front of the palace by the Hockey Museum and passes by the entrance group (6 flights of stairs with the security check area) to the Service entrance (inscription above the canopy of the entrance door "PLM Service Entrance");
- by private vehicle: arrives at the P3 parking (see location map), then passes along the south (nearest to P3) end of the palace building to the square towards the Service entrance (inscription above the canopy of the entrance door "Service Entrance. PLM Entrance").

2. ENTERING THE ARENA

- After passing the security check procedures by technical means – solely for the purpose of security - the visitor passes through special turnstiles for ticket control.
- After passing the ticket control and accompanied by a hostess (regardless of whether PLM have their own attendant) the person takes the elevator to the second floor of the arena, and is transmitted to an arena steward who ushers the spectators to their seat in the bowl of the arena.

3. LEAVING THE ARENA

After the event PLM leave the arena in reverse order.

4. ADDITIONAL TERMS

In the absence of their attendants, starting the moment of their arrival (immediately after getting to the parking lot or the square in front of the palace), PLM may be accompanied by control and administrative services members. To do this it is necessary to warn the representatives of the organizers in advance about the desire to visit the event held in the complex: via the website, by phone or by any other means available.

In exceptional cases PLM can enter the event without a ticket if there are free seats available.
